What Funny Flight Attendants Say

- There may be 50 ways to leave your lover, but there are only four ways out of this airplane.

- Your seat cushions can be used for flotation, and in the event of an emergency water landing, please take them with our compliments.

- We do feature a smoking section on this flight; if you must smoke, contact a member of the flight crew and we will escort you to the wing of the airplane to see our movie, Gone with the Wind.

- We are pleased to have some of the best flight attendants in the industry. Unfortunately, none of them are on this flight!

- Folks, we have reached our cruising altitude now, so I am going to switch the seat belt sign off. Feel free to move about as you wish, but please stay inside the plane until we land. It’s a bit cold outside, and if you walk on the wings it affects the flight pattern.

- Weather at our destination is 50 degrees with some broken clouds, but they’ll try to have them fixed before we arrive. Thank you, and remember, nobody loves you, or your money, more than XYZ Airlines.

- That was quite a bump and I know what y’all are thinking. I’m here to tell you it wasn’t the airline’s fault, it wasn’t the pilot’s fault, it wasn’t the flight attendants’ fault... it was the asphalt!

- Ladies and Gentlemen, please remain in your seats until Captain Crash and the Crew have brought the aircraft to a screeching halt up against the gate. And, once the tire smoke has cleared and the warning bells are silenced, we’ll open the door and you can pick your way through the wreckage to the terminal.

- As you exit the plane, please make sure to gather all of your belongings. Anything left behind will be distributed evenly among the flight attendants. Please do not leave children or spouses.

- We thank you for flying XYZ Airlines. We hope you enjoyed giving us the business as much as we enjoyed taking you for a ride.
